2017 Second Quarter Distribution will be \$100,000 or \$2.16 per unit

The distribution for the second quarter of 2017 will be \$100,000 or \$2.16 per unit, as budgeted. We expect to also distribute a total of \$100,000 to the limited partners for each of the third and fourth quarters of 2017. The aggregate distribution from operations for fiscal year 2017 is, therefore, expected to be \$800,000.

We expect to sell the former Wendy's property located in Martinez, GA, which is currently classified as held for sale, and the net proceeds from any sale are expected to be distributed after closing and, depending on the date of any sale, will likely increase the aggregate amount distributed to the limited partners during either 2017 or 2018.

2017 Consent Solicitation concluded July 31, 2017

On June 16, 2017, consent solicitations were circulated (the "2017 Consent"), which if approved by the limited partners would have authorized the sale of all of the Partnership's properties and the dissolution of the Partnership. Limited partners holding a majority of the outstanding limited partnership units did not vote in favor of the 2017 Consent, and the General Partner declared the 2017 Consent solicitation process concluded on July 31, 2017. Additional information regarding the 2017 Consent can be found in the Partnership's Current Report on Form 8-K, filed by the Partnership on August 4, 2017.

FORWARD LOOKING STATEMENTS

Forward-looking statements may differ materially from actual results. Investors are cautioned not to place undue reliance on forward-looking statements, which reflect the Partnership's management's view only as of August 15, 2017, the date this newsletter was sent for printing and mail assembly. The Partnership undertakes no obligation to update or revise forward-looking statements to reflect changed assumptions, the occurrence of unanticipated events or changes to future operating results. Factors that could cause actual results to differ materially from any forward-looking statements made in this newsletter include changes in general economic conditions, changes in real estate conditions and markets, inability of current tenants to meet financial obligations, inability to obtain new tenants upon the expiration of existing leases, and the potential need to fund tenant improvements or other capital expenditures out of operating cash flow.

QUESTIONS & ANSWERS

- ❖ ***When can I expect to receive my next distribution mailing?***
Your distribution correspondence for the Third Quarter of 2017 is scheduled to be mailed on or about November 15, 2017.
- ❖ ***When will the Partnership mail the 2016 K-1's?***
We mailed the 2016 K-1's during the second week of March 2017.
- ❖ ***What was the estimated December 31, 2016 Net Unit Value ("NUV")?***
Management has estimated the December 31, 2016 Net Unit Value of each interest of the Partnership to approximate \$340. Please note that the estimated year-end NUV should be adjusted (reduced) for any subsequent property sale(s) or applicable impairment write-downs during the following year. As with any valuation methodology, the independent third-party appraisal valuation methodology is based upon a number of estimates and assumptions that may not be accurate or complete. Different parties with different assumptions and estimates could derive a different estimated NUV. Accordingly, with respect to the estimated NUV, the Partnership can give no assurance that:
 - an investor would be able to resell his or her Units at this estimated NUV;
 - an investor would ultimately realize distributions per Unit equal to the Partnership's estimated NUV per Unit upon the liquidation of all of the Partnership's assets and settlement of its liabilities;
 - the Units would trade at the estimated NUV in a secondary market; or
 - the methodology used to estimate the Partnership's NUV would be acceptable under ERISA for compliance with their respective reporting requirements.
- ❖ ***How can I obtain hard copies of Quarterly and Annual Reports or other SEC filings?***
Please visit the Investor Relations page at the Partnership website at www.divallproperties.com or the SEC website at www.sec.gov to print a copy of the report(s) or contact Investor Relations.
- ❖ ***What is the meaning of the word "Insured" in the name of this investment?***
In the offering materials from the late 1980's, sponsored by the former general partners, there was a representation (but no "guarantee") that the Partnership would seek to insure rents from vacant properties. Although, there was some initial availability of very restrictive and limited (one year) insurance, that availability vanished in the early 1990's. In other words, the former general partners were "fast and loose" with professing the concept of "Insured" and the next and final partnership they sold did not use the term in the investment's name.
